No it's Samila not Samilia...why don't you call me Sam...good!...the youngest senior, only 16!..tennis team...piano..horse back riding...oh 8:15, time for exercise classes...Oh no, I found the thimble in the cake!...I know Gole, I have letters again...Pam and Estella, you two get doors and windows mixed up!...It's cold Sheila...Rebecca if you say that once more again...Iranian food-delicious, American food-fattening...Aren't we too old for trick or treating Rebecca?!...Your wings are in the way Golel...graduation, I doubt it!!...

Khoda Hafez (God be with you) Samila

If it comes back to you, it's yours
If it doesn't, it never was

Photographs and memories
Christmas cards you sent to me
All that I have are these
To remember you.
Memories that come at night
Take me to another time
Back to a happier day
When I call you mine.
But we sure had a good time
When we started way back then
Morning walks and bedroom talks
Oh how I loved you then.
Summer skies and lullabies
Nights we couldn't say goodbye
and of all of the things that we knew
not a dream survived.
Photographs and memories
all the love you gave to me
Somehow it just can't be true
that's all I've left of you.

Woody Woodpecker... kind of sorta maybe kind of sorta... Let's go down to the smoking room... SUMMER.... SUMMER.... House Council vice president... I think I'll start my diet today.... I cannot do it... Haynsey Waynsey...

ATLAS

Don't be afraid
to fall asleep with gypsies
or run with leopards.
As travelers or highwaymen
we should employ
whatever kind of wheels it takes
to make our lives
go smoothly down the road.

And if you love somebody tell them.

Love's a better roadmap for trucking down the years than Rand McNally ever made.

Totally Free

We laughed, And remembered, How easy it used to be. To live your life, The way you thought you should, To be totally free.

It seems as though, That time has passed, There's no where to go, No questions to be asked.

It's all laid before you, Starting at birth, They all start staring, Judging your worth.

All I ever wanted to be, Is simply totally free.

And when I die, And I'm laid to rest, I want to leave, Knowing I tried my best.

That I did not accept, Society's way, And slave my entire Life away. Just one more thing I have to say, Please listen to me When I pass on I'll be totally free.

How can you say something new about being alone tell someone you're a loner right away they think you're lonely

They're not really the same thing you know

It's not wanting to put all your marbles in one pocket

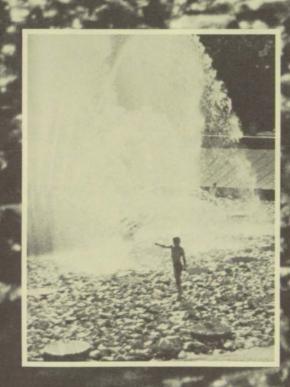

It's caring enough not to care too much

Most of all it's letting yourself come first for awhile

STUDENT LIFE

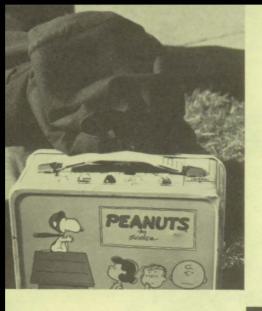

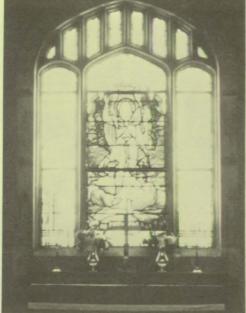

WE DO NOT REMEMBER DAYS
WE REMEMBER MOMENTS

I've saved a little sunshine in case you ever need a place away from the darkness.

Tell me, where do the days go when they pass by?

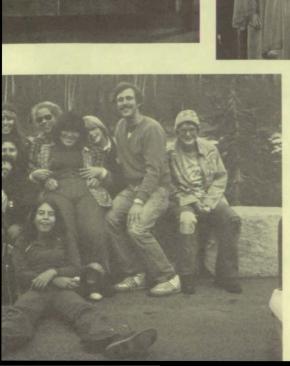

And in the sweetness of friendship let there be laughter, and sharing of pleasures. For in the dew of little things the heart finds its morning and is refreshed.
